The members of Coffs and Woolgoolga Garden Clubs would like to invite members of our Zone Gardening Club neighbours from SW Rocks, Nambucca Valley, Talarm, Bellingen, the Tokonoma Bonsai Club of Toormina and the very talented Mid North Coast Floral Art Assn members to join with us to enjoy a day of conviviality, gardens strolling and a leisurely lunch. We have planned a visit to the Coffs Botanic Gardens at the corner of Hardacre & Coff Street where the new \$1.4m glasshouse has opened. coffsbotanicgarden.com.au

With the help of the volunteer guides of the Friends of the Botanic Garden, our Friendship Day on Thursday 27th October 2022 will look like this.

10:00am. Morning Tea. Meet for a wonderful catered morning tea offered by the volunteers, Friends of the Gardens. The cost of the morning tea is \$10 per person.

Following morning tea, you can join a guided tour led by a Guide from the Friends of the Gardens. They offer 2 wonderful walks.

- The “*Warm Wet and Wild Walk*” introduces the new Glasshouse and continues to the rainforest area of the Gardens.
- The “*Our Habitat Our Home Walk*”, is a circuit walk where the Guide will introduce the different types of plant communities of the North Coast and the relationship with the animals who inhabit them.

Both walks cover about 1km and take about an hour. If the walking aspect doesn't suit, then there is opportunity for a guided tour on a people mover (5 passengers).

Tours cost \$3/person and all funds assist the Friends to develop and promote the Garden for the enjoyment and education
