

# CJS Jaunt CJS Jaunt Jottings for July 28 2022.

We have a special treat to offer for our July garden jaunt. Woopi President Gwyn Clarke and her husband Geoff are a wealth of knowledge on native plants and have a delightful native garden blooming in the bush. Our previous visit was cut short for lack of time so it was decided to make our next visit a day trip.

Their home is at **123 Sandstone Drive Kungala**, which is west of the back road to Grafton and takes from 45 minutes to an hour to travel. We are therefore offering carpooling – for the southerners, meet at the Botanical Gardens at 9.00, and for the northerners meet at the Amble Inn at Corindi at 9.00am.

If you're looking for a lift from the Botanical Gardens or able to offer a ride, ring Sue on 0413 883 831 who will help with the connection.

If you're looking for a lift from the Amble Inn or able to offer a ride, ring Jill on 0488 399 881 and she'll try to match up drivers and riders.

The Clarkes will have an urn boiling for our cuppas so bring a picnic lunch and your own chairs please. Gwyn reports that there is a wonderful bakery at Glenreagh so feel free to stop in for some treats on the way.
