

CJS Jaunt CJS Jaunt Jottings for August 25 2022.

We are a little closer to home this month after a delightful day at the Clarkes in July where with careful observation a lot of interesting natives were discovered.

This month we have the chance for what is probably our last opportunity to visit Margaret and David Hunt's extensive garden at Korora.

Directions: Turn off highway onto Old Coast Road Korora, at the sign which directs to the Squash Courts and Swimming Pool.

Travel over the single lane bridge and turn left into Korora Basin Road. Travel for 2kms and then turn left at Atwal Way. Drive up the hill and the house is the first on the left.

Our second garden is in central Woolgoolga at 13 Maldon Place. Judy is preparing her garden for her son's wedding in October.

Directions: Head East from Woolies roundabout to Nightingale Street. Turn right and then left into Maldon Place. Keep left on circular road and No 13 is on the left after rounding the circle.

Lunch will be at the Woopi Bowling Club in Boundary Street.

Lunch bookings to Jill please on 0488 399 881
